

Suite 2: Registering Page

Steps	Action	Expected Result
2.1	Func. - Sign up with Hotmail mail	
2.1.1	Open SVBurger home page in Google Chrome browser	<p>SVBurger home page is opened in Google Chrome browser</p>  <p>The screenshot shows the SVBurger homepage. At the top, it says "Welcome to SVBurger" and "Let's start your way to our best burger". There are two blue buttons: "Sign In" and "Sign Up". Below this, there's a section titled "SVBURGER WEATHER" with a search bar containing "Tel Aviv" and a "Search" button. It displays the current temperature as "31.14° C" for "Tel Aviv", with "night 28.03° C" and "day 31.14° C". There's also a "Clear" button.</p>
2.1.2	Click on “Sign Up” button	The registering page opens

		<p>The screenshot shows the SVBurger website. At the top, there is a sign-up form with fields for first name, last name, email, password, and confirm password, followed by a "Sign Up" button. Below the sign-up form is a section titled "SVBURGER WEATHER" which displays the current temperature as 31.14°C for Tel Aviv, with a night temperature of 28.03°C and a day temperature of 31.14°C. There is also a "Search" button and a "Clear" button.</p>
2.1.3	Enter “aaaaaaaa” in “Type your first name” textbox	The string “aaaaaaaa” appears in “Type your first name” textbox <p>The screenshot shows the SVBurger website. The "Type your first name" input field is filled with the string "aaaaaaaa". The other input fields for last name, email, password, and confirm password are empty. The "Sign Up" button is visible at the bottom.</p>
2.1.4	Enter “aaaaaaaa” in “Type your last name” textbox	The string “aaaaaaaa” appears in “Type your last name” textbox

		 <p>The screenshot shows a sign-up form for SVBurger. It features a background pattern of various burgers. The form includes fields for a password (with placeholder "aaaaaaa"), email (placeholder "Enter your email"), and two password entries ("Create Password" and "Confirm Password"). A blue "Sign Up" button is at the bottom.</p>
2.1.5	<p>Enter “svburgerweb@hotmail.com” in “Enter your email” textbox</p>	<p>The emails “svburgerweb@hotmail.com” appears in “Enter your email” textbox</p>  <p>The screenshot shows the same sign-up form as above, but the "Enter your email" field now contains the email address "svburgerweb@hotmail.com". The other fields and the background remain the same.</p>
2.1.6	<p>Enter the password “123456A” in the password textbox</p>	<p>The string “*****” appears in the password textbox</p>

		 <p>The screenshot shows the SVBurger sign-up interface. It features a header with the text "SVBurger" and a background pattern of various burgers. Below the header are four input fields: a first name field containing "aaaaaaa", a last name field containing "aaaaaaa", an email field containing "svburgerweb@hotmail.com", and a password field containing ".....". A confirmation password field below it also contains ".....". A blue "Sign Up" button is located at the bottom right of the form area.</p>
2.1.7	Enter the password “123456A” in the confirmation password textbox	The string “*****” appears in the confirmation password textbox  <p>This screenshot is identical to the one above, but the password field in the confirmation password row now displays a series of five asterisks ("*****") instead of the original password ".....", indicating it has been successfully masked or processed.</p>
2.1.8	Click on the “Sign Up” button	The new account will be saved & the SVBurger menu page opens

2.2	Func. - Sign up with Outlook mail	
2.2.1	Open SVBurger home page in Google Chrome browser	SVBurger home page is opened in Google Chrome browser
2.2.2	Click on “Sign Up” button	The registering page opens

		<p>The screenshot shows the SVBurger website. At the top, there is a sign-up form with fields for first name, last name, email, password, and confirm password, each accompanied by a small icon of a burger. Below the form is a blue "Sign Up" button. Underneath the sign-up area, the text "SVBURGER WEATHER" is displayed. Further down, there is a weather forecast for Tel Aviv, showing a sun icon, the current temperature of 31.14°C, and a link to "Search". Below the weather forecast, it says "Tel Aviv" and provides day and night temperatures: 28.03°C at night and 31.14°C during the day. There is also a "Clear" button.</p>
2.2.3	Enter “aaaaaaaa” in “Type your first name” textbox	The string “aaaaaaaa” appears in “Type your first name” textbox <p>The screenshot shows the SVBurger website. The "Type your first name" input field is highlighted with a blue border and contains the string "aaaaaaaa". The other input fields for last name, email, password, and confirm password are empty. The "Sign Up" button is visible at the bottom.</p>
2.2.4	Enter “aaaaaaaa” in “Type your last name” textbox	The string “aaaaaaaa” appears in “Type your last name” textbox <p>The screenshot shows the SVBurger website. The "Type your last name" input field is highlighted with a blue border and contains the string "aaaaaaaa". The other input fields for first name, email, password, and confirm password are empty. The "Sign Up" button is visible at the bottom.</p>

		 <p>SVBurger</p> <p>aaaaaaaa aaaaaaaa Enter your email Create Password Confirm Password Sign Up</p> <p>SVBURGER WEATHER</p>
2.2.5	<p>Enter “svburgerweb@outlook.com” in “Enter your email” textbox</p>	<p>The emails “svburgerweb@outlook.com” appears in “Enter your email” textbox</p>  <p>SVBurger</p> <p>aaaaaaaa aaaaaaaa svburgerweb@outlook.com Create Password Confirm Password Sign Up</p> <p>SVBURGER WEATHER</p>
2.2.6	<p>Enter the password “123456A” in the password textbox</p>	<p>The string “*****” appears in the password textbox</p>

		 <p>The screenshot shows the SVBurger sign-up form. It features a background pattern of various burgers. The form includes fields for First Name (aaaaaaa), Last Name (aaaaaaa), Email (svburgerweb@outlook.com), Password (*****), and Confirm Password (*****). A blue "Sign Up" button is at the bottom right.</p>
2.2.7	Enter the password “123456A” in the confirmation password textbox	The string “*****” appears in the confirmation password textbox  <p>The screenshot shows the SVBurger sign-up form after entering the password “123456A” in the confirmation password field. The password field now contains “*****”. The other fields and the “Sign Up” button are visible.</p>
2.2.8	Click on the “Sign Up” button	The new account will be saved & the SVBurger menu page opens

2.3	Func. - Sign up with Walla mail	
2.3.1	Open SVBurger home page in Google Chrome browser	<p>SVBurger home page is opened in Google Chrome browser</p>
2.3.2	Click on “Sign Up” button	The registering page opens

		<p>The screenshot shows the SVBurger website. At the top, there is a sign-up form with fields for first name, last name, email, password, and confirm password, each accompanied by a small icon of a burger. Below the form is a "Sign Up" button. Underneath the sign-up area, the text "SVBURGER WEATHER" is displayed. Further down, there is a weather forecast for Tel Aviv, showing a sun icon, the temperature of 31.14°C, and a note that it's Tel Aviv. Below the temperature, it says "night 28.03°C" and "day 31.14°C". There is also a "Clear" button.</p>
2.3.3	Enter “aaaaaaaa” in “Type your first name” textbox	The string “aaaaaaaa” appears in “Type your first name” textbox <p>The screenshot shows the SVBurger website. The "Type your first name" input field is highlighted and contains the string "aaaaaaaa". The other input fields (last name, email, password) are empty. The "Sign Up" button is visible at the bottom.</p>
2.3.4	Enter “aaaaaaaa” in “Type your last name” textbox	The string “aaaaaaaa” appears in “Type your last name” textbox <p>The screenshot shows the SVBurger website. The "Type your last name" input field is highlighted and contains the string "aaaaaaaa". The other input fields (first name, email, password) are empty.
